Dear Mr. Ybarra:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 30588.

The Office of the Attorney General received a request for information relating to the "investigation of the Foundation for Women and Children with AIDS." You contend that the requested information is excepted from required public disclosure pursuant to section 552.103 of the Government Code.

We have reviewed the records submitted for our review and agree that the records are excepted from disclosure under section 552.103 of the Government Code. *See* Open Records Decision No. 638 (1996). The requested records may therefore be withheld.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous determination under section 552.301 regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
